such period, extend the period to a date to be specified if satisfied by
the applicant that the extension is necessary to enable the development
to be completed.

development which has not been completed or substantially completed
in accordance with the grant within the period specified under subsection
(11) shall, unless extended, lapse upon the expiry of that period.

punishable under section 31, and whether or not such proceedings have
been instituted, where any development appears to the Board to have
been carried out —

(b) in non-compliance with any conditions or limitations
subject to which planning permission was granted,

the Board may serve an enforcement notice in the prescribed form upon
the owner or occupier of any land or building in relation to which such
development appears to have been carried out and upon any other person
who, in the opinion of the Board, may be affected by the notice.

(2) Where the enforcement notice relates to a development
which has been carried out, notice shall be served within a period of
five years from the date on which it was carried out and where the
notice relates to the violation of any condition or limitation or restriction,
notice shall be served within five years of the date of the violation.

(3) Every enforcement notice shall specify the matters which
it is alleged constitute a contravention of the provisions of this Act and
the steps which the Board requires to be taken to ensure compliance
therewith, and shall further specify a date by or before which all such
steps shall be taken.

discontinuance of any use of land, or the carrying out on land of any
building or other operations.

served who without reasonable excuse, fails or neglects to comply with
any requirement thereof commits an offence and is liable on summary
conviction to a fine not exceeding twenty thousand dollars and to a
further fine not exceeding three hundred dollars in respect of each day
during which the offence continues.

(6) Where after an enforcement notice has been served in
accordance with subsection (1) and within the time specified in the
notice or within such extended period as the Board may, on application
allow, there is default in the taking of the steps required to comply with
the notice, an agent of the Board authorised in writing may take such
action as may be necessary to enforce compliance, and any expenditure
incurred by the Board in this behalf, shall be recoverable as a civil debt
from the owner or occupier of the land on whom the enforcement notice
was served.

(7) Any action taken by the Board in pursuance of subsection (6) shall be without prejudice to the application of subsection (5).

made under subsection (1) may appeal against the notice on one or more
of the following grounds—

to which the enforcement notice relates;

the development;

(c) that the conditions or limitations subject to which
planning permission was granted have been complied
with;

(d) that the notice was not served in accordance with any
specified provision or provisions of this section.

(9) On an appeal under this section the Tribunal may correct
any informality, defect or error in the enforcement notice if satisfied
that the informality, defect or error is not a material one.

(10) Notwithstanding the provisions of subsection (8) any per-
son who is aggrieved by an enforcement notice may apply to the Board
within seven days of the service of the notice for its withdrawal by the
Board and the Board shall within twenty-one days of receipt of such
application confirm or withdraw the notice.

the process of being carried out (whether by way of change or use or
by way of non-compliance of the conditions subject to which planning
permission was granted or in any other way) all activities which
constitute a violation of the enforcement notice shall cease forthwith
pending the decision of the matter on appeal and continuance of any
such activity, save with the specific permission of the Tribunal appointed
under section 27 (3) accorded after giving the Board an opportunity to
be heard, shall be an offence punishable under subsection (5).

19. (1) Where in respect of any land the Board has served an
enforcement notice, the Board may, at any time before the notice takes

Stop notice
effect, serve a further notice (in this Act referred to as a “stop notice”) referring to, and having annexed to it, a copy of the enforcement notice and prohibiting any person on whom the stop notice is served from carrying out or continuing any specified operation on the land, being an operation either alleged in the enforcement notice to constitute a breach of planning control or so closely associated therewith as to constitute substantially the same operation.

(2) The operations which may be the subject of a stop notice are the deposit of refuse or waste materials on land or beaches causing environmental damage, or acts affecting the health or safety of persons or property or disrupting the essential services, where such action is a breach of planning control alleged in the enforcement notice.

(3) A stop notice may be served by the Board on any person who appears to them to have an interest in the land or to be concerned with the carrying out or continuance of any operation thereon.

(4) A stop notice –

(a) shall specify the date (not earlier than three nor later than fourteen days from the day on which the notice is first served on any person) when it is to take effect;

(b) in relation to any person served with it, shall have effect as from that date or the third day after the date of service on him, whichever is later; and

(c) shall, without prejudice to subsection (7) cease to have effect when the enforcement notice takes effect or is withdrawn or quashed.

(5) If a person on whom a stop notice is served carries out, or causes or permits to be carried out, any operation prohibited by the notice, he commits an offence and is liable on summary conviction to a fine not exceeding sixty thousand dollars and if the offence is continued after conviction he shall be liable to a further fine not exceeding five hundred dollars for each day during which the offence continues.

(6) A stop notice shall not be invalid by reason that the enforcement notice to which it relates was not served as required by section 18 of this Act if it is shown that the Board took all such steps as were reasonably practicable to effect proper service.

(7) The Board may at any time withdraw a stop notice (without prejudice to their power to serve another) by serving notice to that effect on the person on whom notice was served and the stop notice shall cease to have effect as from the date of service of the notice of withdrawal.
20. (1) If the Board is satisfied that any area of land or any building is derelict, neglected or wasted or a public nuisance or hazard so as to constitute a substantial detraction from any amenity or from the enjoyment thereof, the Board may serve a waste order in the prescribed form upon the owner or the occupier of the land or building and upon any other person who, in the opinion of the Board may be affected by the order.

(2) Every waste order shall specify the matters which it is alleged constitute a substantial detraction from an amenity or from the enjoyment thereof, and the steps which the Board requires to be taken to restore the land or building to fit condition, and shall further specify a date by or before which all such steps shall be taken.

(3) Any person upon whom a waste order has been served who, without reasonable excuse, fails or neglects to comply with any requirement thereof, or by an act or omission contravenes subsection (7), commits an offence and is liable on summary conviction to a fine not exceeding ten thousand dollars and to a further fine not exceeding three hundred dollars in respect of each day during which the offence continues.
